PLANNED GIVING

As life's circumstances change, so do insurance policies related to your financial planning. You can have the satisfaction of helping McKinley High School, its teachers and students in the future by gifting an insurance policy that's no longer needed. If a donor transfers a life insurance policy to the McKinley High School Foundation, the gift is tax -deductible for gift tax purposes. If the donor pays subsequent premiums due on the policy, those additional premium payments constitute additional gifts that would also qualify for the gift tax charitable deduction.

In addition for the first time, IRA owners can give a portion of their retirement savings directly to charity without first counting it as income and pay income tax. In 2006 & 2007, holders of traditional and Roth IRAS who are at least 70 1/2-years-old can make direct charitable transfers up to \$100,000 per year.

PRESIDENT'S MESSAGE

CARL TAKAMURA

Aloha,

It has been a privilege to serve as President of the McKinley High School Foundation for the past four years. In this its 20th anniversary, the Foundation is very proud that it has awarded to date over \$870,000 in scholarships to over 544 graduating seniors. There is no better investment we can make that in the futures of our young people, and with your help, the McKinley Foundation will continue to do so.

I want to congratulate the Class of 2010 and thank them for continuing what has become a unique "tradition" in which the members of the graduating class raise money for scholarships to be presented to the members of the following year's graduating class. At this year's awards ceremony, a representative of the class of 2009 presented a scholarship to the class of 2010. I am very pleased to report that through hard work and personal sacrifice, the members of the class of 2010 raised funds in order to continue this important and wonderful tradition.

I also want to thank the members of the Class of 1942 for donating the extra money from their class reunions to the Foundation. We are truly grateful for their generosity and for their steadfast support of their alma mater.

As I turn the leadership of the Foundation over to my able successor, Bruce Nakaoka, I want to express my sincere gratitude to the members of the Board of Directors, and, in particular, the members of the Executive Committee, for their time, support, and most of all, commitment to McKinley and its students. In addition, on behalf of the members of the Board, I want to express our deep appreciation and Aloha to McKinley's principal Ron Okamura.

Finally, a big MAHALO! to you, the many friends and alumni of McKinley, for your generous support and ongoing belief in the Foundation and its mission.

Aloha,

Carl Takamura ('62)

BRUCE NAKAOKA

AN INTERVIEW WITH INCOMING PRESIDENT BRUCE NAKAOKA

By Carl Takamura

The Foundation Board of Directors is very pleased and excited to have Bruce Nakaoka as our incoming President as of July 1, 2010. I had a great discussion with Bruce over lunch recently and the following is a brief recap of our conversation as a means of introducing Bruce to all of you.

Let's begin with the typical "local" question and tell me when you graduated from McKinley and what was your experience there?

Let me go even further back to credit my parents. My father is from the Big Island (Hilo HS) and my mother is from Maui (Baldwin HS). I am a proud member of the Class of 1975, which I vaguely recall as having close to 1,000 students. Both my sister and brother also graduated from McKinley. I would say I was a decent student and was fortunate to have a great group of friends, many of whom I remain close with to this day. My time at McKinley prepared me to matriculate to the University of Hawaii-Manoa where I received a BBA in Real Estate and Management and later an MBA.

So what career did McKinley help prepare you for?

For the past four years I have been a managing director with Tradewind Capital Group, which is the investment subsidiary of Island Holdings, Inc. and engages in private equity and real estate investment activity. I began my career as a commercial real estate appraiser then joined the Kamehameha Schools/Bishop Estate where I eventually headed the real estate investment division. It was an exciting time as we built a diversified investment portfolio, across the U. S. and internationally. I was fortunate to work closely with trustee Matsuo Takabuki and Tony Sereno, who became mentors. I left Bishop Estate, and with Eric Martinson formed our own investment firm, MN Capital Partners, which was acquired by and merged into Tradewind Capital Group. The founder of the Island Holdings family of companies was Masayuki Tokioka, McKinley Class of 1921, and the first person of Japanese ancestry to earn an MBA from the Harvard Business School.

What other community organizations are you involved with and what do you do in your "spare" time?

I also serve on the boards of the Boys & Girls Club of Hawaii and Institute for Human Services, the investment advisory committee for the Office of Hawaiian Affairs and the Ke Alii Pauahi Foundation's committee for the Goldman Sachs, Matsuo Takabuki and William Richardson scholarship funds. My priority is to spend time with my wife, Vanina, and our two children, Nicolas and Noëlle. Since we are currently homeschooling our kids, we like to take family outings where we can learn about things first-hand. In my "spare" time, I get to shag soccer balls, eat popcorn at the Ice Palace, walk our two dogs, clean the fish tank and bird cage, and feed our rabbits.

How did you become involved with the McKinley Foundation?

I had been a donor to the Foundation and one day Patsy Young, who was then the Foundation's Executive Director, called to ask if I would consider becoming a member of the Board of Directors. I was honored because I believe in the Foundation's mission of supporting its graduates to achieve their dreams, and wanted to give back. McKinley has a unique and storied history, and I am grateful for all that the school has done for me. My fellow directors feel that same sense of aloha.

What ideas do you have on how we can strengthen the Foundation so that it can better serve the school and its students?

Thanks to the loyal and generous support of McKinley alumni and donors, the endowment has continued to grow. I am interested in taking a deeper look at how we can use technology to reach out to our alumni and other supporters in a more effective way. Recently, three of the Board's younger members, Hoala Greevy, Reiko Lin and Adrian Dhakhwa, utilized their knowledge of social networks to reach out to their classmates and friends and raised an amazing \$2,700 for a Class of 1994 scholarship fund. In May, a \$1,000 scholarship and a \$500 scholarship were awarded, respectfully, to Royce Kwon and Hong Dong Ma, both members of the McKinley Class of 2010. They used their phones to video the award ceremony – and it was on the internet to their classmates shortly thereafter. I also want to explore how the Foundation can encourage and support a wonderful "tradition" that was initiated by former McKinley counselor Barbara Kakuda in which each graduating class raises money to provide a scholarship for a member of the succeeding graduating class. This year, a Class of 2009 scholarship of \$1600 was awarded to Jane Li. This is an amazing act of unselfish giving that has inspired me and the other members of the Board to rededicate our commitment to McKinley.

OUR SCHOLARSHIP RECIPIENTS!!

It is with a great deal of pleasure that we introduce you to the McKinley High School Foundation Scholarship Recipients. We are so very proud of them – all 69 of them! Look for their personal stories in the next newsletter.

CAROLE KAI

Perhaps one of the most recognizable traits of a McKinley Tiger is the deep pride in knowing that you attended a school that emphasized academic excellence and respect for others located on one of the most beautiful campuses in Hawaii. Another is the commitment to community service that characterizes so many of our alumni.

There is no doubt that one of our alumni that best represents this characteristic is our own Carole Kai ('62). Carole's contributions to our community are countless, from the unique Carole Kai Bed Race, an event she founded in 1974 to benefit Variety School of Hawaii, to the internationally renowned Great Aloha Run. Her tenacity and energy are contagious and it is difficult not to get caught up in her desire to make Hawaii a better place.

Carole credits her mother, Ethel Shizue Akamine, with instilling in her the confidence to accomplish whatever she sets her mind to do. Her mother was hard-working, honest and persevering; in other words, a wonderful role model for the amazing woman that Carole Kai is today.

Too often, we fail to tell or show people how much we appreciate them. Carole, we want you to know that we do appreciate you and all that you continue to do for the people of Hawaii, and that we are so very proud that you are a McKinley Tiger.

One way in which each of you can show Carole how much we appreciate all that she has done for our community is to volunteer, participate in, or consider making a donation to, the Great Aloha Run. Please go to their website - www.greataloharun.com - for information on how to get involved.

CLASS OF 1942

A very big mahalo to the Class of 1942. The reunion committee has donated their remaining funds to the Foundation, stating that while they felt that they would no longer be holding formal reunions they wished to support the Foundation. The Board of Directors are extremely grateful to the entire class of 1942 for their continuous support we and wish them the very best.

Dear McKinley Foundation,

My name is Yenmy Truong and I am a graduating senior of the class of 2010 at McKinley High School. I want to thank you for selecting me as one of the recipients of the Carole Kai Charities Scholarship. This award will bring me opportunities to further my career as a mechanical engineer. I will be attending the University of Hawaii at Manoa in Fall 2010 semester, majoring in mechanical engineering.

I have set goals for myself which include working hard to become successful in the future and obtaining a greater passion for engineering. Hopefully, you feel that this scholarship will be put to good use as it will be used to pay for books and supplies needed for my classes. You do so much for this school to give students like me more opportunities. I hope one day to be successful, achieving all my hopes and dreams, in order to make those who have supported me proud. Thank you once again for providing me with this scholarship, it will be used wisely.

Sincerely,

Yenmy Truong

Dear McKinley High School Foundation,

I would like to thank you all for your generosity in selecting me to be one of the recipients for the Foundation Scholarship, Honoring Senator Daniel K. Inouye for the amount of \$1,000. This scholarship will definitely contribute to my success.

Entering higher institutions of learning has always been my ultimate goal ever since I was a child. I know in order to meet my goal it would cost a lot of money. But what is money when a person does not have work ethic and determination? For me, two these are the two things that aided me to do well in my academics. I was always patient in learning something new and I am determined that this is what I want. Ever since I learned what the word college meant it never left my brain. I continued to work hard everyday and prepared my self to be ready when the time comes. Now that the time has come for me to enter the college level, there are a few things I need to think of and that is money because it is needed in order to enter college. Your generosity in awarding me this foundation scholarship will be a very big help in my learning.

Once again, I would like to extend my thank you to the foundation and also for taking your time in reviewing my application. Please continue to support high school students because a simple support can definitely change their life. I will serve this scholarship as a reminder to contribute to my community.

Sincerely,

Precious Mae B. Aro

Class of 1954 Scholarship

Dear Class of 1954,

I am grateful for the Class of 1954 Scholarship that you've given me. I will make sure to put the scholarship money to good use as it will go towards my tuition for the University of Hawaii at Manoa, as that is where I'm going to attend. I know you've entrusted me, a random person, with this scholarship so I won't put it to waste. It's hard for a high school kid like me to pay for college so this scholarship has really given me an opportunity to achieve something greater than just my high school diploma. All the qualities that you've seen in me that made you choose me for this scholarship I will bring along with me in college as I try to reach my fullest potential. After all that I will give back to the McKinley as they've allowed me to achieve so much.

Sincerely,

Daniel Luong

CLASS OF 2010

Upholding a heartwarming tradition, the members of the Class of 2010 have donated money to go toward scholarships for the Class of 2011. This tradition began several years ago, under the direction Ms. Barbara Kakuda, and each graduating class has carried on the tradition. Instilling in our young people the importance of giving back to the community is a legacy that Ms. Kakuda can treasure. We sincerely thank her for her dedication and to the students for their generous contribution.

Dear McKinley High School Foundation:

Receiving the Carole Kai Charities Scholarship on McKinley High School's Award Night was an experience I would never forget. Thank you for your generous support as I strive to achieve more in attending college. I am eternally thankful for the award you have presented me.

As the first in my family to go to college, this support is all the more meaningful, not only to me, but to everyone in my family as well. Thanks to you, my long-time dream of attending college will no longer be just a dream. With this award, I plan to attend the University of Hawaii at Manoa and study Computer Science.

Thank you again for all your support with the Carole Kai Charities Scholarship.

Sincerely,

Ying Guo
