

PRESIDENT'S MESSAGE

NEAL TAKAMORI

As we continue to make adjustments due to the COVID 19 pandemic, I'm sure that we have found that family, friends, and helping others are the important aspects of life.

As our students and staff at McKinley make adjustments in their lives that affect their future, I want to share with you some background information that Dr. Richard Kosaki, one of the founders of the McKinley High School Foundation documented. It helps us understand why we do what we do for McKinley.

I also want to thank the Foundation Board of Directors who graciously volunteered their time and energies in giving unselfishly of themselves to help others. Kudos to Ben Nakaoka, Jackson Nakasone, Carl Takamura, Reiko Lin, Brian Maeshiro, Ron Hayashi, Susan Sumida, Susan Ichimasa, Paul Komeiji and Darlene Ogoshi, the members of the Executive Committee, for helping out whenever the need arises.

BRIEF ACCOUNT OF THE BEGINNINGS OF THE MCKINLEY HIGH SCHOOL FOUNDATION

By Dr. Richard Kosaki

I am often asked, "Why a McKinley High School Foundation? As a public school, isn't McKinley funded by our taxes?"

Indeed, the basic support for public education comes from our taxes but, increasingly, we are made aware that the level of state support is often not adequate in meeting changing educational needs. With this in mind, on December 20, 1988, I wrote to then principal of McKinley High School, Stanley Seki (class of '57), suggesting that we establish a non-profit foundation to provide an extra margin that can create a better learning environment for students and faculty.

Specifically, my reason for proposing a foundation were (1) I was grateful for the educational experience that McKinley High School provided for me and I wished to express gratitude; (2) I believe there is no greater investment than education, especially for our youth that will ensure a better future for all of us; and (3) all schools, both public and private, can benefit from the moral and financial support of their alumni and friends. (This is why we do what we do)

... This beginning of the Foundation in 1989 happily coincided with the observance of the 125th anniversary of the founding of McKinley High School. The Foundation could materially assist in the celebration of this historic anniversary.

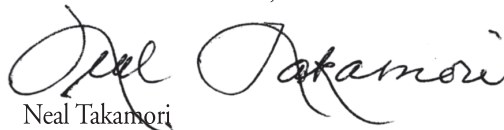

... On May 5, 1989, an application was filed with the State of Hawaii Department of Commerce and Consumer Affairs to establish a non-profit corporation. The incorporation was approved on June 14, 1989. On June 22, 1989, the first Board of Directors meeting was held at McKinley High School. The initial officers were: President Richard Kosaki '42, First Vice President Stanley Seki '57, Second Vice President Jann Yuen '52, Treasurer Harold Hee '42, Recording Secretary Susan Isa '62, Corresponding Secretary Suzanne Nakano '75. The Directors were Richard Ito '79, Carole Kai '62, Allen Kajioka '52, Terence Kimura '57, Patricia Labez '76, Lester Nakaichi '54, Jack Tsui '74 and Jess Walters (representing parents). The initial board of 14 later that year was increased to a board of 35 members ... Raymond Iwamoto, who provided pro bono legal services, filed for non-profit status which was granted on December 12, 1989. Many volunteers performed the necessary administrative chores and kept these expenses to a minimum.

The first annual report was filed by the President on September 20, 1990.

From its humble beginnings, The McKinley High School Foundation is still committed to assist the school in helping students prepare for success in life. Thank you for your continued support as we teach our students the concept of "Kahiau Me Ke Aloha", giving back with Love without expectation of reciprocation.

Please visit the McKinley Foundation website and donate from your heart to help McKinley High School. The site address is: <http://mckinleyfoundation.org>.

Me Ke Aloha Pumehana,

Neal Takamori

President

Recipients give a shout out to a teacher who has inspired them to be the best they can be.

A teacher who helped me with guidance and my path to success at McKinley High School would be Ms. Leilani Okuda. Not only does she reach out to check on my progress, but she also makes me feel confident in the choices I make. Ms. Okuda is a great role model for the students at McKinley High School and I am grateful for the advice she has given me over the period of time I have known her.

Hang Vo

Mr. Lau is the most inspiring and caring teacher for me in McKinley High School. I still remember he told me that when I get a job, just don't look at the pay it brings you, but the interest and comfort. He taught me a lot about electric engineering, even though I was slow in learning things, he always looked patient. He is such an amazing teacher and he has done more for me than he will ever know. Thank you, Mr. Lau.

Sincerely,
Jingsong Zhou
