

## PRESIDENT'S MESSAGE

Thank you all for your support and donations that help McKinley High School students pursue their dreams.

The McKinley High School Foundation, whose mission is to: “promote and foster the development of McKinley High School students through granting of scholarships, loans, and other assistance to students and faculty; to provide funds for school equipment and activities which contribute to improving the learning experience; and to encourage scholarship and good citizenship in the McKinley High School community.” (<http://mckinleyfoundation.org>)

As the 2019-2020 school year opens, McKinley High School continues to set high goals and expectations to help the students achieve their goals and continues to be one of the top high schools in the State of Hawaii. Ongoing programs like the very successful Math, Robotics, and Science Olympiad Teams, the Center for Tomorrow's Leaders (CTL), a unique program to train and provide opportunities for our students to become future leaders persevere in their pursuit of excellence. We laud their efforts.

Initiatives including Ignition, a mentoring program to help freshman, extra curricula activities, speech and debate, college classes (Running Start, Early Admit, etc), and programs such as “Unfold” and “AVID” that targets students who feel that they cannot go to college, many who are “At Risk” students, are ongoing activities that the faculty volunteer to advise.

The US News magazine published the 2018 “Best High Schools” and ranked McKinley 3rd Best of Public High Schools in Hawaii. That is quite a testimony of McKinley's commitment to provide the best for our students, noticing that 97% of the school population are minority and 57% are categorized as “Economically Disadvantaged”.

And now, Great Schools, a national nonprofit organization that rates schools across the nation, honored McKinley High School as the 2019 College Success Awards winner. This award honors schools that are “doing a great job of preparing students to get into and succeed in college.” They say, “see how this award-winning school encourages kids to explore their dreams while also instilling the value of giving back to their community.” Refer to the website “greatschools.org” for more information.

I want to take this opportunity to thank Brian Maeshiro (class of 1975), and Reiko Lin (class of 1994) who have unselfishly given of their time to co-chair our Foundation's Scholarship Committee. They are a great tandem who are responsible for coordinating the 16 plus members of the committee in awarding the McKinley Foundation scholarships. They do such a great job in communicating, compiling, analyzing, reviewing and organizing this event, which has awarded over \$1.4 million to over 1,100 seniors since 1989. They are “gems” and are truly very special people who reflect the true meaning of “giving back” to help others.

As always, we are grateful to all who contribute to the Foundation to make our scholarship program so successful. We welcome your input and suggestions, please do not hesitate to contact us at any time.

Aloha,

## NATIONAL HONOR SOCIETY - SCOOP DEE DOO FUNDRAISER

Once again, the National Honor Society – McKinley Chapter held a “Scoop Dee Doo Ice Cream Benefit” to raise awareness and make contributions to the McKinley High School Foundation in appreciation for supporting many programs and awarding scholarships to seniors. They not only raised monies, but they also learned valuable lessons and further developed interpersonal skills throughout the project.

With only ten members, teamwork was an important factor in the fundraiser. They would not have been able to accomplish their goal without the help of the Cafeteria Manager, Mitch Arnold, retired Food Service teacher Mrs. Janice Shimokawa, retired Student Activities Coordinator Ms. Bobbi Kakuda (class of 1966), Mr. Paul Nishida (class of 1983), the MHS faculty, alumni and friends. They learned how tiring and difficult it is to fundraise, and they are humbled by the Foundation’s continued effort to raise funds to support school programs and senior scholarships. They are greatly appreciative of the Foundation’s continuous support and efforts toward student success.

The members raised \$1,595.30 from the fundraiser and presented the donation to the Foundation.

The National Honor Society – McKinley Chapter advisor, Leilani Okuda, has done an outstanding job of engaging the members to “give back” to their community. A huge mahalo to Leilani and all that she does for the betterment of the students and the school.

The photo is with the students as they presented the donation to Reiko Lin.

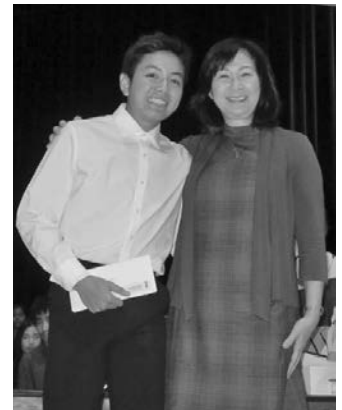

## AWARDS CEREMONY

On Thursday, May 16th McKinley held their annual Awards Ceremony. If you have never attended this event, we encourage you to make it a point to attend one in the future. The evening begins with the McKinley award winning band entertaining the guests and honorees before the program. The air is filled with anticipation as the students on stage hope that they will be honored with a scholarship to further their education. A truly delightful experience for all of the attendees.

The Foundation is especially grateful to play a significant part in the ceremony with many of our board members attending to present the scholarships. Please enjoy these photos taken at the event.

## CLASS OF 1978

The McKinley High School Class of 1978 celebrated their 40th Class reunion on October 5th and 6th, 2018. At each of reunion, the Class of '78 also raises awareness and funds for an organization selected by their planning committee.

They chose to honor the Foundation and congratulated the McKinley High School Foundation's mission and achievements. Not only did they honor the Foundation, but they also made their classmates aware of the many good things the Foundation does. They printed the Foundation's website on their program. Along with their monetary contribution they stated "On behalf of the Mighty Class of 1978, thank you very much for all you do for the students and McKinley's legacy."

From all of the members of the board of directors at the Foundation we send a very sincere mahalo to the Mighty Class of 1978! A special thank you to Jaydene (Tanaka) Viernes for spearheading the Class of 1978 Reunion Committee. Your support is deeply appreciated.
