

PRESIDENT'S MESSAGE

Thank you all for your support of the McKinley High School Foundation.

As the 2019-2020 school year began, McKinley High School continues to set high goals and expectations to help the students achieve their goals. The very successful Math, Robotics, and Science Olympiad Teams persist in their pursuit of excellence. The Center for Tomorrow's Leaders (CTL), a unique program, is increasing its influence to train and provide opportunities for our students to become future leaders. We applaud their efforts.

The faculty at McKinley is also striving to provide guidance outside of the classroom to enhance our students' learning experience. Some of the initiatives include Ignition, a mentoring program to help freshman, extra curricula activities, speech and debate, college classes (Running Start, Early Admit, etc.) This year, more than ever, the faculty worked extra hard as they had to adjust to online teaching. Please note the letters of shout out to teachers that our scholarship recipients sent in.

For the 2020 graduates at McKinley this was both a year of disappointments and a year of lifelong learning – in life we all are met with circumstances that we have no control of, the year 2020 will go down in history as one of the most trying times that anyone has faced. Learning to accept and adapt to a “new normal” is a lesson that will be forever imbedded in their minds.

We can all help McKinley continue their “Pursuit of Excellence” by supporting the McKinley High School Foundation. The McKinley Foundation has supported programs such as Robotics, Band, CTL, College and Career programs, Ignition, Speech and Drama, and other school initiatives and has awarded over 1.5 million dollars to over 1,053 seniors.

I want to take this opportunity to thank Ben Nakaoka, our Foundation treasurer, who has unselfishly given of his time, expertise, and efforts to oversee our finances, and who has given valuable recommendations to improve the Foundation's efforts to support McKinley High School. He is truly a valuable asset to the Foundation and the school and his dedication and efforts are “PRICELESS”. Also, a huge mahalo to Brian Maeshiro and Reiko Lin, the co-chairs of our Scholarship Committee along with their team of scholarship reviewers who generously give up their time to review and select our scholarship recipients.

Please take the time to visit the site if you have not yet done so. The site address is: <http://mckinleyfoundation.org>.

We continue to encourage all to sign up for Amazon Smile (McKinley Foundation gets a portion of the sales). As always, we welcome your input, please do not hesitate to contact us.

Aloha,

A handwritten signature in black ink that reads 'Neal Takamori'. The signature is fluid and cursive, with the first name 'Neal' and last name 'Takamori' clearly distinguishable.

Neal Takamori
President

Do we have your correct information?

Please help us update our data by sending us the correct information. You can either call the Foundation at 536-3832, email us at info@mckinleyfoundation.org, or write us at:

1039 South King Sreet
Honolulu, Hawaii 96814

HOW CAN YOU HELP MORE MCKINLEY TIGERS SUCCEED WITH TAX-ADVANTAGED DONATIONS

Some of us may remember how attending college was not only a matter of having the grades and aptitude to gain acceptance, but also a matter of whether our families had the resources to enable us to do so.

Today, although there are more scholarships, grants and other programs to help with post-secondary education, it is also a sad fact that tuition costs have escalated to an unprecedented high throughout the United States. That has put the cost of continuing their education and pursuing their dreams out of reach for many McKinley students.

Those of us who were fortunate enough to have benefited in our personal and professional careers from the solid educational foundation we received at McKinley have the opportunity to help more McKinley graduates to realize this same benefit.

Those of us who are 70½ and older and have an IRA from which we are required by law to take annual required minimum withdrawals (RMD) can take advantage of a provision in the federal tax code that will enable us to make a charitable donation that will satisfy our RMD requirement without having to report additional income. The provision, referred to as a qualified charitable distribution (QCD), allows retirees to donate up to \$100,000 tax free from their IRA each year. Generally, this distribution is treated as taxable income, but under the QCD provision, those assets are excluded from income if the distribution is made directly to charity. *If you see yourself in this category, we urge you to consult with your financial or tax advisor about taking advantage of QCD to make a donation to the McKinley High School Foundation to enable it to continue its 25+ years of providing scholarships to McKinley graduates.*

In addition to QCD, we hope you will also consider one of the following:

1. Name the **McKinley High School Foundation** as the revocable beneficiary of your *life insurance policy*. It's simple to do and you retain the right to change the beneficiary in the future if you have a change of heart.
2. Donate *appreciated stocks* with low or unknown cost basis to the **Foundation**. You would not only avoid paying capital gains taxes, but you can also claim a tax deduction if you itemize for your taxes.

Please consider helping the many deserving students of McKinley High School achieve their dreams by supporting the **McKinley Foundation** through the alternative opportunities listed above.

2020 SCHOLARSHIP RECIPIENTS

On May 14, 2020, the Foundation awarded scholarships to 53 deserving graduating seniors and the recipients and their awarded information follows. Because of the Coronavirus the Awards Ceremony was done virtually. Our end of the year newsletter will highlight the stories of what they have accomplished to date as well as what they hope to accomplish in the future.

Aileen Chang	Alexander & Baldwin Inc./Matson Inc./Robert J. Pfeiffer Community Scholarship	\$4,000

Kai Kane Hattori-Crozier	McKinley Class of 1994 Scholarship	\$1,250

The McKinley Class of 2020 also gave a shout out to a teacher who inspired and encouraged them to succeed academically and socially, below is a sample of some of their shout outs.

Pumehana Holmes gave a “shout out” to Ms. Cynthia Reeves:

You have watched me grow for the past three years in both advisory and as a student. You've seen the good and the bad and you've never shied away from either. You have supported me not only in essays and grammar but in my extracurricular activities as well. I will never forget the time and efforts you gave me, watching our class after school for Homecoming practices and letting my council paint banners in your room. You're always willing to give a helping hand and make things better and that is what I love about you even if it doesn't seem like it. You've given so much to the school and I could never thank you enough for what you have done for me. I always knew I could go to you if I had an issue I wanted to talk about or solve. Thank you for being a teacher that I could rely on and trust to listen to me. As an aspiring teacher, I will always remember the impact you had on me and make sure to keep your example as I move forward. Thank you, thank you, thank you. It still isn't enough for your constant and undying support, but I hope it is a start.

Miki Kojima gives a “shout out” to Ms. Tiffany Miyashiro:

Mrs. Miyashiro - From conversations about Disney to the latest healthcare technology, Mrs. Miyashiro always lightened up my mood with her positive energy. Even during this pandemic, she consistently motivated me to keep up with my work. Along with Mrs. Richards, she assisted the Senior Council to help our class achieve the best. She truly worked hard to lift up our spirits and have made a positive impact in my time at McKinley.

Mai-Phi Tran-Dang also gave a “shout out” to Ms. Miyashiro:

I want to express my gratitude towards Ms. Miyashiro. Her encouragement and support gave me the confidence I needed to accomplish more and persevere when things get hard.

Sharmaine Ramirez gives a "shout out" to Leilani Okuda:

In addition to the MHS Foundation, so many of my teachers at McKinley have also had a positive impact on my decision to go to college. If there was one teacher who I spent most of my time with, I would like to give my biggest thank you and love to Ms. Leilani Okuda. She was not only my PE teacher, my National Honor Society advisor, and my Senior Project manager, but a role model whose values I have learned to appreciate and integrate into my own life. Ms. Okuda taught me to own up to my mistakes and learn to be better from it. She taught me that I didn't have to be an excellent student, but to strive to be a better person. I cannot emphasize enough the headaches and the stress I gave to Ms. Okuda throughout my three years with her, but I like to tell myself that it was all the love I gave her that was too much to handle. My motivation and desire to continue my education and give back to my community comes from making those who supported me proud. Thank you from the bottom of my heart, Ms. Okuda!

Karla Sales gave a "shout out" to Ms. April Nakamura:

I would like to give a shoutout and appreciate Ms. April Nakamura, our student activities coordinator.

Throughout the last 2 years in McKinley High School, she taught me how to be a good leader and everything about leadership. I always remember her phrase, "character is the foundation of leadership." She helped me realize that character is everything whenever it may be for school, work, or the outside world. Working with her for a year, she is one of the reasons why I am who I am today. I will always be grateful that I met someone like her. All the teachings, knowledge and wisdom I have learned from her will not be forgotten and I will always use it for the rest of my life.

We wish each and every "Tiger" the best for their future and look forward to getting updates to how they are doing.

Many families of our students at McKinley face financial hardships. We want to recognize companies that have gone above and beyond to help and support our McKinley Tiger ohana. Special recognition to Island Slipper Factory who have donated slippers to McKinley High School for distribution to students in need. A very big mahalo to the Carpenter family: John, Daisy, Matt, and Tersha. Pictured with proper covid-19 masking are Matt Carpenter and Ronald Okamura, McKinley High School Principal.

SCOOP DEE DOO

Once again, the National Honor Society, McKinley Chapter held their fundraiser "Scoop Dee Do". Their advisor, Leilani Okuda, has been instrumental in encouraging the students to "give back" to their community. She instills in each of them the personal responsibility that we all should adhere to – leave everything you come in contact with better than when you arrived.

Scoop Dee Doo was first held in 2012. It was a combined effort of the class of 2012 and the NHS (I was advisor for both).

Since 2012 (9 years), the NHS continues to support and raise awareness for the McKinley HS foundation's mission and generosity to support our school's programs and scholarships for deserving seniors.

Of the 8 years, the NHS has done 7 **Scoop Dee Doo Benefits**. Other projects were the Beat The Heat Tiger Fan sale and a donation drive for the McKinley Million Campaign.

With the guidance and assistance of retired teachers Bobbi Kakuda '66, (former Student Activities Coordinator) Janice Shimokawa (former Food Service teacher), Mitch Arnold, Cafeteria Manager, and Paul Nishida ('83) Scoop Dee Doo has been a very successful event each year.

This is a photo of the National Honor Society, McKinley Chapter presenting a check to Foundation Advisory Council, Jackson Nakasone in the McKinley library.
